“SEBASTIANO TUSA” AWARD

To honour the memory of Professor Sebastiano Tusa, the *Museo Storico della Fisica e Centro Studi e Ricerche “Enrico Fermi”* (Centro Fermi), under the patronage of the *Polo Regionale di Trapani e Marsala per i Siti Culturali*, awards annually a prize of 2000 € (two thousand) to a young researcher, who has obtained significant results in the field of marine and underwater archaeology or archaeometry (in alternate years).

In the year 2019 the prize is awarded for marine and underwater archaeology. The rules to apply are as follows:

1. The application is open to young researchers who have achieved their MSc degree after 1st January 2016.

2. The applications, indicating personal details and contact address of the applicant, must be submitted electronically using the online form available [here](mailto:). Applications with accompanying documentation must be sent to the e-mail address premio.tusa@centrofermi.it by **25 June 2019**.

3. The applications must be submitted electronically together with the following documents:
   a. a curriculum vitae et studiorum;
   b. a scientific report describing the applicant’s research activity;
   c. a list of publications of the applicant;
   d. any other document considered useful for the application.

4. The applicant must provide at least one reference letter (not longer than 300 words) as follows: the referee, preferably with a different affiliation than the applicant, will send the letter in .pdf format via e-mail to premio.tusa@centrofermi.it by **25 June 2019** indicating in the subject line “Premio Tusa – name and surname of the applicant”.

5. Submissions received beyond the deadline, whatever the cause of the delay, will not be accepted.

6. A Scientific Committee appointed by the Centro Fermi Governing Board will examine the applications received and propose the winner. The Centro Fermi Governing Board will award the relative prize.

The prize will be awarded on the occasion of a special ceremony to be held in August 2019 at the Lilibeo Regional Archaeological Museum in Marsala.
